Daily Challenge

Q : What is the service "Daily Challenge "?

R : "Daily Challenge" is an SMS game that allows all mobile customers of Ghana Vodafone to win weekly prizes:

- 150 GHC Airtime per week (2 winners/week)

Q : How to register for the game?

R : To try to win weekly gifts (150 GHC Airtime), simply dial *2124*1# or send "OK" to short code 2124 and you will receive:

- ✓ A pack of 5 questions per day,
- ✓ A free access to the app or to the Game Portal: <http://ghvf-dailychallenge.upp.st>

Q : How to play via the Portal?

R :

- To play, the participant must connect to the game site <http://ghvf-dailychallenge.upp.st> , enter his mobile number and the authentication code received by SMS, then create an account and start playing.
- Games categories via the portal:
 - ✓ Simple Questions on generic culture
 - ✓ Mental arithmetic games
 - ✓ Memory games
 - ✓ Observation and logic games
 - ✓ Various games
- Each participant can play one game per day.
- The ranking of players via the portal is done in real-time on the basis of the number of gems accumulated.
- The gems are assigned to the players once the day's challenge is over. The number of gems awarded depends on the number of users who play this challenge daily.
- The winner of the week is the one who has accumulated the most gems throughout the week from Monday to Sunday at midnight.
- The user who has accumulated the most gems throughout the week (Monday to Sunday) will win the weekly gift.
- Every Sunday at midnight, the accumulated scores by the participants via the Android application or via the inline portal: <http://ghvf-dailychallenge.upp.st> will be reset to zero.

- In the event that 2 or more participants have the same highest score, the one who was the first to obtain this score will be considered the winner of the weekly prize.
